Vision- Each student contributes meaningfully as a global citizen in an ever-changing world.

Mission-We create engaging learning experiences in inclusive environments that support each student's well-being and social emotional development.

Values- Relationships, Diversity and Inclusion, Collaboration, Growth and Innovation, and Responsibility

Student Well-being Goal: Schools will be safe, welcoming, inclusive, and culturally responsive environments where each student feels a sense of belonging and engages in habits that promote well-being.

Literacy Goal- To develop skilled, critical independent readers and writers who acquire, create, connect, and communicate meaning through listening, speaking, reading and viewing.

Mathematics Goal-Students will develop a deep understanding of mathematical concepts from which they will develop procedural fluency, strategic competence, and adaptive reasoning.
